

The **RTBU** has campaigned to secure the wages, rights and work conditions that we all enjoy today ...since 1861.

Your voice; louder

The **RTBU** is the industry union that supports and protects almost 8000 workers across the Rail and Tram industry in Victoria.

We cover all workers across the industry including those working in Network Operations, Administration, Technical, Rolling Stock, and Infrastructure positions. Throughout Australia the RTBU helps over 35,000 members who keep the country moving.

We fight for better wages and conditions that you enjoy today under your current Enterprise Agreement. We are here to help you!

With a very high percentage of the industry already members that make up our movement, your voice is louder and your workplace is fairer when you join us to stand for:

- Better wages
- Improved conditions
- A safer workplace
- Job security
- Protection of your rights at work
- Workplace representation & support
- Legal Advice
