Operations EBA Bargaining update

2 September 2019

Today, we met with the Yarra Trams bargaining team at the Fair Work Commission.

There was very little discussion about the substance of claims. It is disappointing that Yarra Trams continues to drag their feet instead of clearly explaining their positions on their claims.

Yarra Trams also keeps playing games about meeting times. The RTBU has made it clear that we will not accept their games.

It is likely that the next meeting will be early next week.

Members are reminded that of the following ban will commence next week:

A ban on members (other than AOs, Starters and TODs) working voluntary overtime (VOT) and on cancelled days off (DOCs).

This will commence at the first tram service on **Monday, 9 September 2019** timetable and finish when the last tram service scheduled on **Thursday, 12 September 2019** ends on **Friday, 13 September 2019**.

Together, we will continue the fight. We won't take a backwards step!
