BARGAINING MEETING FOR A NEW OPERATIONS ENTERPRISE AGREEMENT

Today we met with Yarra Trams for our first bargaining meeting since we presented our log of claims at the meeting on 5th April 2019.

At the meeting we tabled a Position Paper in which we set out concerns about some of the conduct of the Yarra Trams bargaining team in the opening bargaining meetings and reminded Yarra Trams of its good faith bargaining obligations. We also outlined the structure in which we will negotiate for the 107 claims in our log of claims.

We are committed to productive negotiations. However, we will not accept any rushed or dismissive response to our claims. We will insist that our claims are comprehensively considered and that bargaining is conducted in good faith.

Our next bargaining meeting is on Monday 15th April 2019.
