BARGAINING FOR A NEW OPERATIONS ENTERPRISE AGREEMENT

Today we met again with Yarra Trams to bargain for a new Operations Enterprise Agreement.

We continued to provide Yarra Trams with detailed explanations of our claims in relation to amendments to existing common conditions.

Our suggested amendments will significantly improve the common conditions for all members. We expect Yarra Trams to properly consider our claims.

At our meeting, Yarra Trams spoke further about its claim to expand the numbers of part-time workers. Yarra Trams will be providing us with further information in upcoming meetings. We will keep you informed about Yarra Trams' proposals.

Our next bargaining meeting is on Tuesday 23rd April 2019.
