RTBU MAKES WAGE OFFER OF 18% OVER A THREE-YEAR AGREEMENT

Today we met with Yarra Trams to continue bargaining for a new Operations Agreement.

The RTBU informed Yarra Trams that we seek a three-year agreement with wage increases of 3% every six months from 1 July 2019. The RTBU also informed Yarra Trams about the increases the union seeks to penalties and allowances.

We also tabled a revised log of claims that has been endorsed by the Tram Executive. The revised log of claims consists of a range of measures providing for improved job security, improved safety and better rostering arrangements.

There was further discussion today about Yarra Trams' proposal which would allow it to create a mass part-time workforce. We maintain our opposition to that proposal.

Bargaining is continuing.

We will continue to keep our members updated on our progress.
