BARGAINING FOR A NEW OPERATIONS ENTERPRISE AGREEMENT

Today, we had a further meeting with Yarra Trams to continue bargaining.

At the meeting we presented the Yarra Trams bargaining team with a letter setting out our concerns about their poor conduct in relation to the bargaining process. We told Yarra Trams that we expect it to improve its performance dramatically and engage in productive bargaining carried out in good faith.

We gave Yarra Trams a detailed explanation of our claims in relation to new clauses for the common conditions part of the new agreement.

We also tabled further detailed written outlines of our claims for amendments to current common conditions and insisted that Yarra Trams properly consider and respond to our claims.

Our next bargaining meeting is on Friday 3rd May 2019. At that meeting, we will discuss Yarra Trams' claim in relation to part-time workers and we will insist that Yarra Trams respond to our questions in relation to its claim.
