UPDATE FOR NEW ROLLING STOCK, INFRASTRUCTURE, ADMINISTRATION, TECHNICAL & PROFESSIONAL

Tuesday, 30 April 2019

BARGAINING CONTINUES FOR A NEW ROLLING STOCK, INFRASTRUCTURE, ADMINISTRATION, TECHNICAL & PROFESSIONAL AGREEMENT

Today we met again with Yarra Trams for a full day bargaining meeting.

We had productive discussions, including with the AMWU and ETU – the two other union bargaining representatives.

The RTBU continued its explanation of the new clauses for the common conditions part of the new enterprise agreement.

We also tabled detailed written explanations of amendments we seek to existing current conditions. We will require Yarra Trams' response to our carefully considered amendments at the next bargaining meeting.

At our next meeting we will also discuss our claims in relation to operational matters.

We will continue to keep our members updated on our progress.

Our next bargaining meeting is on the 7th May 2019.
