Industrial Action Update: Strike on 5 December 2019

3 December 2019

Following on from our massive show of unity and strength on 28 November 2019, members who will be covered by the proposed Operations EBA will take a further strike this Thursday, 5 December 2019.

The 4-hour stoppage of all work by members (excluding Starters and TODs) will commence at 10am on Thursday, 5 December 2019 and finish at 2pm on Thursday, 5 December 2019.

Authorised Officers will also take the same stoppage of work.

We will all meet for a mass meeting at the Maritime Union HQ at 46 Ireland St, West Melbourne. Buses will pick members up from the tram depots and take members back to the tram depots after the mass meeting.

All eligible members are urged to attend. The only way we can get a fairer deal is for RTBU members to stand united. The best way to demonstrate our unity is for everyone to come together during the stoppage.

Yarra Trams needs to drop their plans to create a mass part-time workforce. Yarra Trams' part-time plans will hit your hip pocket; destroy job security and devastate our culture.

Yarra Trams need to agree to decent wage increases; fair disciplinary processes; better dispute resolution and medical examination procedures; and protections against harassment and violence.

We will not take a backwards step in our fight for a fair deal!
