ATTENTION ALL MEMBERS Proposed Part Time Rosters

Thursday, January 31, 2019

The RTBU has today filed a case in the Federal Court of Australia against Yarra Trams.

The RTBU believes the new roster that Yarra Trams is proposing to implement at the Glenhuntly and Brunswick depots would be in breach of the Yarra Trams Enterprise Agreement and the Fair Work Act. This is because the new roster has shifts which are less than seven (7) hours duration.

Yarra Trams wants the new roster to start in April / May 2019.

The RTBU is seeking declarations from the Court about the proposed breaches and penalties to be paid by Yarra Trams.

The RTBU has asked Yarra Trams to give an undertaking to the Court that it will not implement the proposed roster changes until this matter has been heard and determined by the Court.

We will keep our members updated on the progress of this matter.
