OPERATIONS EBA BARGAINING UPDATE

24 October 2019

On Tuesday, we met with Yarra Trams for an all-day bargaining meeting. Yesterday, we met with Yarra Trams at the Fair Work Commission for a conference.

There has been some progress, but Yarra Trams has not yet agreed to a number of our critical claims. These include our dispute resolution claim; our claim that the outcome of appeals against termination be binding on Yarra Trams; our claims in relation to medical examinations; our union rights claims; our claims for protections against harassment and violence; as well as our claim for fair and reasonable wage increases.

If Yarra Trams fails to come to their senses, we will be left with no choice but to ramp up industrial action. We will be continuing our visits to depots to discuss our plans moving forward.

We stand united in the struggle for a fair deal!
