OPERATIONS EBA BARGAINING UPDATE

7 February 2020

Today, we met with Yarra Trams at the Fair Work Commission for a conference.

Yet again, Yarra Trams refused to answer our simple questions about the financial impact of their part-time proposal on the take-home pay of full-time workers.

Yarra Trams likes to dishonestly claim that the RTBU refuses to talk about their proposals. It is Yarra Trams that does not want to engage in discussions. They can't handle scrutiny!

Yarra Trams now say that they will present a new proposal to the union in the next week or two. The RTBU will consider any proposal that Yarra Trams makes.

Yarra Trams needs to stop their cash grab and drop their part-time claim.

We will fight as long as it takes to get a fair deal!
