OPERATIONS EBA: Bargaining Update

22 January 2020

Today we met with Yarra Trams to continue bargaining for the Operations EBA.

As members know, we had invited Yarra Trams' CEO, Julien Dehornoy, to the meeting. Unfortunately, he did not show up.

During the meeting, the bargaining representative for Authorised Officers provided detailed explanations of critical claims for AOs. There was a significant amount of discussion about those claims.

The RTBU tabled a list of follow-up questions seeking answers Yarra Trams have failed to provide us. These questions are about the impact of the part-time proposal on full-time workers, particularly the financial impact.

It is well past time that Yarra Trams provides honest answers about the impact of its part-time plan.
