New Operations EBA lodged for approval

29 April 2020

Today Yarra Trams submitted an application for approval of the *Yarra Trams Enterprise Agreement 2019 – Operations (new Operations EBA)* to the Fair Work Commission (**FWC**).

Once again, we would like to thank all members for this fantastic result.

The strength of the union is our members. This result would not have been possible without your commitment and solidarity

Next steps

The FWC will now undertake the steps required in the approval process. There is no set time for the FWC approval process, but it is likely to take a number of weeks.

The new Operations EBA will come into operation 7 days after it is approved by the FWC. You will then receive back-pay from 1 July 2019, and the wage increases and improved conditions will come into effect.

We will continue to keep you updated about the FWC approval process.
