RAMPING UP OF INDUSTRIAL ACTION STARTS SUNDAY, 10 NOVEMBER 2019

8 November 2019

The RTBU ban on VOT and DOCs starts this Sunday, 10 November. The ban is part of a ramping up of industrial action which includes 4-hour stoppages on 28 November and 5 December.

We will be taking the following VOT and DOC ban:

A ban on members (other than AOs, Starters and TODs) working voluntary overtime (VOT) and on cancelled days off (DOCs). This will commence at the first tram service on **Sunday, 10 November 2019** and finish when the last tram service scheduled on **Saturday, 16 November 2019** ends on Sunday, 17 November 2019.

We will not be taking any CBM bans.

AOs will be taking the same ban on VOT and DOCs.

The only way we can get a fairer deal is for RTBU members to stand united.

Yarra Trams needs to drop their plans to create a mass part-time workforce. Yarra Trams' part-time plans will hit your hip pocket; destroy job security and devastate our culture.

We need a decent wage; fair disciplinary, dispute resolution and medical examination procedures; and protections against harassment and violence.

In order to achieve a fair deal, **it is critical that all eligible members stand strong and implement the VOT and DOC bans.** Unity is key. We must all stand together to demand a better deal.

Standing united, we will achieve a fair deal for all members!
