## UNITED WE STAND

17 February 2020

Today, we sent another powerful message to Yarra Trams. We stand united in our fight for a fair deal!

We congratulate all our members for your solidarity in walking off the job. We know that members are making sacrifices in the continued fight. Your sacrifice will be rewarded. We will achieve a fair deal.

It is entirely Yarra Trams' fault that industrial action is necessary. Yarra Trams' stubbornness and unreasonableness is the only reason a deal has not yet been reached. We would not need to take the upcoming industrial action if Yarra Trams drops its part-time claim.

Our next 4-hour stoppage will occur between **10am and 2pm** this **Thursday, 20 February 2020**. We will be holding a mass meeting at Trades Hall from 11am. There will be speeches from 12 noon. Buses will pick members up from the depots and return members to the depots to recommence work at 2pm.

Standing united we will achieve a fair deal!
