

DECISION

Fair Work Act 2009
s.185—Enterprise agreement

The State of Victoria
(AG2020/2580)

VICTORIAN PUBLIC SERVICE ENTERPRISE AGREEMENT 2020

State and Territory government administration

DEPUTY PRESIDENT GOSTENCNIK

MELBOURNE, 2 OCTOBER 2020

Application for approval of the Victorian Public Service Enterprise Agreement 2020.

[1] An application has been made for approval of an enterprise agreement known as the *Victorian Public Service Enterprise Agreement 2020* (Agreement). The application was made pursuant to s.185 of the *Fair Work Act 2009* (Act). It has been made by the State of Victoria. The Agreement is a single enterprise agreement.

[2] Supplementary material provided with the application discloses that during the access period the employer became aware that 76 of the 50,719 employees to be covered by the Agreement had not been notified of the time and place at which the vote was to occur and the voting method to be used by the start of the access period as required by s.180(3) of the Act. The same 76 employees had likewise not been provided with a copy of, or access to, the written text of the Agreement as required s.180(2) of the Act. The Applicant submits that the employees concerned were provided with a copy of, or had access to, the written text of the Agreement and were notified of the time and place at which the vote was to occur and the voting method to be used prior to the conclusion of the access period. In all the circumstances, particularly the large number of employees covered by the Agreement and the very small number affected (significantly less than 1% of the cohort covered by the Agreement), notwithstanding the error, I am satisfied that there has been compliance. The relevant assessment is whether the employer took all reasonable steps to notify employees of the matters in s.180(3) and to ensure the matters in s.180(2). The material filed by the Applicant satisfies me that it did so. If I am wrong in this conclusion, then having regard to the decision of the Full Bench in *Huntsman Chemical Company Australia Pty Limited T/A RMAX Rigid Cellular Plastics & Others*,¹ I am satisfied that the error is a minor procedural or technical error for the purposes of s.188(2)(a) of the Act. Further, I am satisfied that the employees covered by the Agreement were not likely to have been disadvantaged by the error. Accordingly, I am satisfied that the Agreement has been genuinely agreed within the meaning of s.188(2) with the consequence that the requirement in s.186(2)(a) of the Act is met.

¹ [2019] FWCFB 318

[3] The Applicant advised the Commission of several corrections that it proposed be made to the Agreement. The changes proposed are said to address minor errors identified during the ballot period. The Applicant filed an amended version of the Agreement together with the Application and requested that the Commission exercise its powers under s.602 of the Act to correct the Agreement. I expressed a preliminary view that the corrections sought could not be made pursuant to s.602 of the Act. Further, and consistent with a Full Bench of the Commission in *Construction, Forestry, Maritime, Mining and Energy Union v Mechanical Maintenance Solutions Pty Ltd*², I expressed doubt that the corrections sought could (or as a matter of discretion should) be made pursuant to s.586 of the Act. I suggested that the Applicant might seek to make an application under s.217 of the Act and indicated that I would waive the requirement that the application be made using the approved form. The Commission may dispense with compliance with any provision of the *Fair Work Commission Rules 2013* (Rules) either before or after the occasion for compliance arises under Rule 6 of the Rules. The Applicant subsequently indicated that it did wish to make an application under s.217 of the Act in respect of the list of correction filed with the application.

[4] Section 217 of the Act provides:

“217 Variation of an enterprise agreement to remove an ambiguity or uncertainty

(1) The FWC may vary an enterprise agreement to remove an ambiguity or uncertainty on application by any of the following:

- (a) one or more of the employers covered by the agreement;
- (b) an employee covered by the agreement;
- (c) an employee organisation covered by the agreement.

(2) If the FWC varies the enterprise agreement, the variation operates from the day specified in the decision to vary the agreement.”

[5] A finding of ambiguity or uncertainty in an enterprise agreement is a condition precedent to the exercise of power under s.217. I consider that the errors the variations seek to address plainly create uncertainty. I am satisfied that the variations should be made to remove the uncertainty and that it is appropriate to do so pursuant to s.217 of the Act. It is the varied Agreement that has been approved. If there be doubt as to whether the power in s.217 is available to the Commission before an enterprise agreement the subject of an approval application is approved, I would exercise my power to vary the Agreement to remove the uncertainty immediately after the Agreement is approved by me. In the end the practical result is the same. On commencement, the Agreement approved will be one from which the uncertainty brought about by the various errors has been removed by a variation under s.217.

[6] In correspondence to my chambers on 3 September and 21 September 2020, an employee bargaining representative for the Agreement submitted that the Commission is required to have regard to the *Victorian Long Service Leave Act 2018* (Victorian LSL Act) in approving the Agreement. In short compass, the Applicant submits that in approving the

² [2020] FWCFB 1918 at [33]

Agreement, the Commission is not required to consider the Victorian LSL Act, under the National Employment Standards employees to be covered by the Agreement are entitled to long service leave in accordance with the terms of the *Victorian Public Service Award 2005*, and the long service leave provisions in the Agreement meet the requirements of s.186(2)(c) of the Act. I accept the Applicant's submission in this regard.

[7] Section 113 of the Act deals with entitlement to long service leave. For the purposes of s.113(3) of the Act, I am satisfied that there are applicable award-derived long service leave terms for the employees that will be covered by the Agreement. The *Victorian Public Service Award 2005* would have provided minimum long service leave entitlements to employees if, at the test time, the employees had been in their current circumstances of employment. Those terms constitute the National Employment Standards entitlement to long service leave for those employees. Given that the long service leave provisions of the Agreement are equal to or more generous than the applicable award-derived long service leave entitlements, I am satisfied that it is consistent with the National Employment Standards.

[8] On 25 September 2020, the Commission received correspondence from two employees who say they are covered by the Agreement. The correspondence concerned, *inter alia*, the timing of the Agreement's approval and did not raise any matter concerning the requirements set out in ss.186 and 187 of the Act. There is no discretion to consider complaints about an enterprise agreement beyond those set out in ss.186 and 187.

[9] Pursuant to s.205(2) of the Act, the model consultation term prescribed by the *Fair Work Regulations 2009* is taken to be a term of the Agreement.

[10] The Applicant has provided written undertakings in response to my concerns about whether the better off overall test and the National Employment Standards approval requirements had been met. A copy of the undertakings is attached in Annexure A. I am satisfied that the undertakings will not cause financial detriment to any employee covered by the Agreement and that the undertakings will not result in substantial changes to the Agreement. The undertakings are taken to be a term of the Agreement.

[11] Subject to the undertakings referred to above, and on the basis of the material contained in the application and accompanying declaration, I am satisfied that each of the requirements of ss.186, 187, 188 and 190 as are relevant to this application for approval have been met.

[12] The Australian Nursing and Midwifery Federation and the CPSU, the Community and Public Sector Union, being bargaining representatives for the Agreement, have given notice under s.183 of the Act that they want the Agreement to cover them. In accordance with s.201(2) and based on the declarations provided by the organisations, I note that the Agreement covers the organisations.

[13] The Agreement was approved on 2 October 2020 and, in accordance with s.54, will operate from 9 October 2020. The nominal expiry date of the Agreement is 20 March 2024.

7. Anti-Discrimination and Workplace Diversity

- 7.1 The Parties covered by this Agreement respect and value the diversity of the workforce by helping to prevent and eliminate discrimination on the basis of race, colour, sex, sexual preference, gender, age, physical or mental disability, marital status, family or carer's responsibilities, pregnancy, religion, political opinion, national extraction, social origin, or any other attributes protected by anti-discrimination legislation.
- 7.2 The Employer recognises the importance of workplace diversity and inclusion. The Employer will strive to create a diverse workforce and an environment that recognises, values, utilises and reflects the diverse society in which we live. In this context, diversity includes cultural diversity, Aboriginal and Torres Strait Islander identity, sexuality, age, gender identity, ability, neurodiversity and carer responsibilities.
- 7.3 Accordingly, in fulfilling their obligations under the procedures in **clause 13** (Resolution of Disputes), the Parties must make every endeavour to ensure that neither the Agreement provisions nor their operation are directly or indirectly discriminatory in their effects.
- 7.4 Nothing in this clause is to be taken to affect:
 - (a) any different treatment (or treatment having different effects) which is specifically exempted under the Commonwealth anti-discrimination legislation; or
 - (b) an Employee, Employer or Union pursuing matters of discrimination in any State or Federal jurisdiction, including by application to the Australian Human Rights Commission; or
 - (c) the exceptions in section 351(2) and 772(2) of the FW Act or the operation of sections 772(3) and 772(4) of the FW Act.

These obligations apply to the Employer but do not form part of the Agreement.

Part 2 Flexible Work

8. Flexible Work

- 8.1** The Parties are committed to providing a range of flexible working arrangements to give Employees a meaningful level of control over when, where and how work is accomplished.
- 8.2** These reflect a genuine commitment to support both individual flexibility and business performance needs, while recognising that not all forms of flexibility will be suitable for all roles at any time.
- 8.3** Several provisions in this Agreement are available to facilitate an individual's need for flexibility, consistent with business requirements and legislative obligations.

Clause	Title	Summary of entitlement (see clause for full entitlement and any conditions)
9	Individual Flexibility Arrangement (IFA)	An IFA may vary the effect of clause 38 (Hours of Work); and clause 39 (Shift Work)

18.4	Part-Time Employment	Part time employment may be worked by agreement between the Employee and the Employer
22	Working from Home	An individual Employee and Employer may agree to work from home on a case by case basis.
38	Hours of Work	An Employee (other than a Shift Worker) can agree with the Employer to work their ordinary hours flexibly, within the span of hours, to best meet the Employer's work requirements and the Employee's personal and/or family circumstances. This may include, for example, working compressed hours.
47	Purchased Leave	An Employee and Employer may agree to work less than 52 weeks per year to increase the amount of leave available
52	Family Violence Leave	An Employee experiencing family violence has an entitlement to additional leave and may request flexible work arrangements
55	Parental Leave	An Employee returning to work after parental leave has a right to request a reduced time fraction until their Child reaches school age, or alternatively may request an extension of unpaid parental leave

9. Individual Flexibility Arrangements

- 9.1** An Employee and the Employer may enter into an individual flexibility arrangement pursuant to this clause in order to meet the genuine needs of both the Employee and the Employer. An individual flexibility arrangement must be genuinely agreed to by the Employee and Employer.
- 9.2** An individual flexibility arrangement may vary the effect of **clause 38** (Hours of Work) and **clause 39** (Shift Work).
- 9.3** An Employee may nominate a representative to assist in negotiations for an individual flexibility arrangement.
- 9.4** The Employer must ensure that the terms of the individual flexibility arrangement:
- (a)** are about permitted matters under section 172 of the FW Act; and
 - (b)** are not unlawful terms under section 194 of the FW Act; and
 - (c)** result in the Employee being better off overall than the Employee would be if no arrangement was made.
- 9.5** The Employer must ensure that an individual flexibility arrangement is in writing and signed by the Employee and Employer. If the Employee is under 18, the arrangement must also be signed by a parent or guardian of the Employee.
- 9.6** The Employer must give a copy of the individual flexibility arrangement to the Employee within 14 days after it is agreed to.
- 9.7** The Employer must ensure that any individual flexibility arrangement sets out:
- (a)** which terms of this Agreement will be affected or varied by the individual flexibility arrangement; and
 - (b)** how the individual flexibility arrangement will vary or affect the terms of this Agreement; and
 - (c)** how the Employee will be better off overall in relation to the terms and conditions of their employment as a result of the individual flexibility arrangement; and
 - (d)** the day on which the individual flexibility arrangement commences; and
 - (e)** provides for the individual flexibility arrangement to be terminated:
 - (i)** by either the Employee or Employer giving a specific period of written notice, with the specified period being not more than 28 days; and
 - (ii)** at any time by written agreement between the Employee and Employer.

10. Flexible Working Arrangements – Specific Circumstances

- 10.1** Section 65 of the FW Act provides that an Employee may request a change in their working arrangements in any of the following circumstances:
- (a)** the Employee is the parent, or has responsibility for the care, of a Child who is of school age or younger; or

Victorian Public Service Enterprise Agreement 2020

- (b) the Employee is a carer (within the meaning of the *Carer Recognition Act 2010*); or
- (c) the Employee has a disability; or
- (d) the Employee is 55 or older; or
- (e) the Employee is experiencing violence from a member of the Employee's family; or
- (f) the Employee provides care or support to a member of the Employee's Immediate Family, or a member of the Employee's household, who requires care or support because the member is experiencing violence from the member's family.

Note: Examples of changes in working arrangements include changes in hours of work, changes in patterns of work and changes in location of work.

10.2 To avoid doubt, and without limiting **clause 10.1**, an Employee may request to work part-time to assist the Employee to care for the Child if the Employee:

- (a) is a parent, or has responsibility for the care, of a Child; and
- (b) is returning to work after taking leave in relation to the birth or adoption of the Child;

10.3 A casual Employee is not entitled to make a request under this clause unless the Employee:

- (a) is a Long Term Casual Employee of the Employer immediately before making the request; and
- (b) has a reasonable expectation of continuing employment by the Employer on a regular and systematic basis.

10.4 A request made under this clause must be made in writing and set out details of the change sought and the reasons for the change.

10.5 Before responding to a request, the Employer must discuss the request with the Employee and genuinely try to reach agreement on a change in working arrangements that will reasonably accommodate the Employee's circumstances having regards to:

- (a) the needs of the Employee arising from their circumstances; and
- (b) the consequences for the Employee if changes in working arrangements are not made; and
- (c) any reasonable business grounds for refusing the request.

10.6 On receipt of a request by an Employee under this clause, the Employer must give the Employee a written response within 21 days, stating whether the Employer grants or refuses the request.

10.7 The Employer may only refuse the request on reasonable business grounds.

10.8 Without limiting what are reasonable business grounds for the purposes of **clause 10.7**, reasonable business grounds include any of the following:

Victorian Public Service Enterprise Agreement 2020

- (a) that the new working arrangements requested by the Employee would be too costly for the Employer; or
- (b) that there is no capacity to change the working arrangements of other Employees, or recruit new Employees, to accommodate the new working arrangements requested by the Employee; or
- (c) that it would be impractical to change the working arrangements of other Employees, or recruit new Employees, to accommodate the new working arrangements requested by the Employee; or
- (d) that the new working arrangements requested by the Employee would be likely to result in a significant loss in efficiency or productivity; or
- (e) that the new working arrangements requested by the employee would be likely to have a significant negative impact on customer service.

10.9 If the Employer refuses the request, the written response under **clause 10.6** must include:

- (a) details of the reasons for the refusal, including the business grounds or ground for the refusal and how the ground or grounds apply, and
- (b) whether or not there are any changes in working arrangements that the Employer can offer the employee so as to better accommodate the Employee's circumstances; and
- (c) if the Employer can offer the employee such changes in working arrangements, set out those changes in working arrangements.

10.10 If the Employer and Employee reached an agreement under **clause 10.6** on a change in working arrangements that differs from that initially requested by the Employee, the Employer must provide the Employee with a written response to their request setting out the agreed change or changes in working arrangements.

Part 3 Communication, Consultation and Dispute Resolution

11. Implementation of Change

- 11.1** Where the Employer has developed a proposal for major change likely to have a significant effect on Employees, such as a restructure of the workplace, the introduction of new technology or changes to existing work practices of Employees, the Employer will advise:
- (a) the relevant Employees and the relevant Union covered by this Agreement of the proposed change as soon as practicable after the proposal has been made; and
 - (b) the relevant Employees and the relevant Union covered by this Agreement of the likely effects on the Employees' working conditions and responsibilities; and
 - (c) of the rationale and intended benefits of any change, including improvements to productivity, if applicable.
- 11.2** For the purpose of this clause, a major change is *likely to have a significant effect on Employees* if it results in:
- (a) the termination of the employment of Employees; or
 - (b) major change to the composition, operation or size of the Employer's workforce or to the skills required of Employees; or
 - (c) the elimination or diminution of job opportunities (including opportunities for promotion or tenure); or
 - (d) the alteration of hours of work; or
 - (e) the need to retrain Employees; or
 - (f) the need to relocate Employees to another workplace; or
 - (g) the restructuring of jobs.
- 11.3** **Clause 11.2(f)** is subject to the rights and obligations set out in **clause 19** (Usual Place or Places of Work).
- 11.4** **Relevant Employees** means the Employees who may be affected by a change referred to in **clause 11.1**.
- 11.5** The Employer will:
- (a) regularly consult with Relevant Employees and the relevant Union covered by this Agreement; and
 - (b) give prompt consideration to matters raised by the Employees or the Employees relevant Union covered by this Agreement; and
 - (c) if appropriate provide training for the Employees to assist them to integrate successfully into the new structure.

11.6 In accordance with this clause, the relevant Employees and the relevant Union covered by this Agreement may submit alternative proposals which will meet the indicated rationale and benefits of the proposal.

- (a) Such alternative proposals must be submitted in a timely manner so as not to lead to an unreasonable delay in the introduction of any contemplated change.
- (b) If such a proposal is made the Employer must give considered reasons to the affected Employees and the relevant Union covered by this Agreement if the Employer does not accept its proposals.
- (c) Indicative reasonable timeframes are set out below. The steps, timeframes, and the extent of consultation in each case will:
 - (i) be commensurate with the scale of the proposed major change and the likely significant effect for Employees, and
 - (ii) take account of the Parties' agreement in **clause 15** (Mobility Principles) that the principles of workforce mobility will be operationalised over the life of the Agreement through a range of changed practices, modes of work and service delivery.

11.7 Any dispute concerning the Parties' obligations under this clause will be dealt with in accordance with **clause 13** (Resolution of Disputes).

12. Consultation on Changes to Rosters or Hours of Work

- 12.1** This clause applies if the Employer proposes to introduce a change to the regular roster or ordinary hours of work of Employees.
- 12.2** The Employer must notify the Relevant Employees of the proposed change. Relevant Employees means the Employees who may be affected by a change referred to in **clause 12.1**.

Victorian Public Service Enterprise Agreement 2020

- 12.3** The Relevant Employees may appoint a representative for the purposes of the procedures in this clause.
- 12.4** The Employer must recognise the representative appointed by a Relevant Employee(s) if:
- (a)** a Relevant Employee appoints, or Relevant employees appoint, a representative, which may include CPSU, for the purposes of consultation; and
 - (b)** the Employee or Employees advise the Employer of the identity of the representative.
- 12.5** As soon as practicable after proposing to introduce the change, the Employer must:
- (a)** discuss with the Relevant Employees the introduction of the change; and
 - (b)** for the purposes of the discussion—provide to the Relevant Employees:
 - (i)** all relevant information about the change, including the nature of the change; and
 - (ii)** information about what the Employer reasonably believes will be the effects of the change on the Employees; and
 - (iii)** information about any other matters that the Employer reasonably believes are likely to affect the Employees; and
 - (c)** invite the Relevant Employees to give their views about the impact of the change (including any impact in relation to their family or caring responsibilities).
- 12.6** However, the Employer is not required to disclose confidential or commercially sensitive information to the relevant Employees.
- 12.7** The Employer must give prompt and genuine consideration to matters raised about the change by the Relevant Employees.
- 12.8** The Employer must display a roster for Shift Workers in a convenient area fourteen days prior to the effective date.
- 12.9** The Employer may change the Shift Work roster without written notice, if the Employer is of the reasonable opinion that an emergency exists.
- 12.10** A Shift Worker may request the Employer approve a change to rostered Shift Work times by giving to the Employer 48 hours' written notice of the proposed change

13. Resolution of Disputes

- 13.1** For the purposes of this **clause 13**, a dispute includes a grievance.
- 13.2** Unless otherwise provided for in this Agreement, a dispute about a matter arising under this Agreement or the National Employment Standards set out in the FW Act, other than termination of employment, must be dealt with in accordance with this clause. To avoid doubt, a dispute about termination of employment cannot be dealt with under this clause.
- 13.3** This clause does not apply to any dispute regarding a matter or matters arising in the course of bargaining in relation to a proposed enterprise agreement.

Victorian Public Service Enterprise Agreement 2020

13.4 The Union may raise a dispute and be a party to a dispute in its own right or in a representative capacity for an Employee or group of Employees.

13.5 A person covered by this Agreement may choose to be represented at any stage by a representative, including a Union representative or Employer's organisation.

13.6 Obligations

- (a) The parties to the dispute and their representatives must genuinely attempt to resolve the dispute through the processes set out in this clause and must cooperate to ensure that these processes are carried out expeditiously.
- (b) While a dispute is being dealt with in accordance with this clause, work must continue in accordance with usual practice, provided that this does not apply to an Employee who has a reasonable concern about an imminent risk to their health or safety, has advised the Employer of this concern and has not unreasonably failed to comply with a direction by the Employer to perform other available work that is safe and appropriate for the Employee to perform.
- (c) No person covered by this Agreement will be prejudiced as to the final settlement of the dispute by the continuance of work in accordance with this clause.

13.7 Agreement and Dispute Settlement Facilitation

- (a) For the purposes of compliance with this Agreement (including compliance with this dispute settlement procedure) if the chosen Employee representative is another Employee of the Employer, they must be released by the Employer from normal duties for such periods of time as may be reasonably necessary to enable them to represent Employees concerning matters pertaining to the employment relationship including but not limited to:
 - (i) investigating the circumstances of a dispute or an alleged breach of this Agreement; or
 - (ii) endeavouring to resolve a dispute arising out of the operation of this Agreement; or
 - (iii) participating in conciliation, arbitration or any other agreed alternative dispute resolution process.
- (b) The release from normal duties referred to in this clause is subject to the proviso that it does not unduly affect the operations of the Employer.

13.8 Discussion of Dispute

- (a) The dispute must first be discussed by the aggrieved Employee(s) with the immediate supervisor of the Employee(s).
- (b) If the dispute is not settled, the aggrieved Employee(s) can require that the dispute be discussed with another representative of the Employer appointed for the purposes of this procedure.

13.9 Internal Process

- (a) If any party to the dispute who is covered by this Agreement refers the dispute to an established internal dispute resolution process, the matter must first be dealt with according to that process, provided that the process is conducted as expeditiously as possible and:

Victorian Public Service Enterprise Agreement 2020

- (i) is consistent with the rules of natural justice; and
 - (ii) provides for mediation or conciliation of the dispute; and
 - (iii) provides that the Employer will take into consideration any views on who should conduct the review; and
 - (iv) is conducted with as little formality as a proper consideration of the dispute allows.
- (b) If the dispute is not settled through an internal dispute resolution process, the matter can be dealt with in accordance with the processes set out below.
- (c) If the matter is not settled either party to the dispute may apply to the FWC to have the dispute dealt with by conciliation.

13.10 Disputes of a Collective Character

- (a) The Parties acknowledge that disputes of a collective character concerning more than one Employee may be dealt with more expeditiously by an early reference to the FWC.
- (b) No dispute of a collective character may be referred to the FWC directly unless there has been a genuine attempt to resolve the dispute at the workplace level prior to it being referred to the FWC.

13.11 Conciliation

- (a) Where a dispute is referred for conciliation, a member of the FWC will do everything that appears to the member to be right and proper to assist the parties to the dispute to agree on settlement terms.
- (b) This may include arranging:
 - (i) conferences of the parties to the dispute presided over by the member; and
 - (ii) for the parties to the dispute to confer among themselves at conferences at which the member is not present.
- (c) Conciliation before the FWC will be regarded as completed when:
 - (i) the parties to the dispute have reached agreement on the settlement of the dispute; or
 - (ii) the member of the FWC conducting the conciliation has, either of their own motion or after an application by a party to the dispute, satisfied themselves that there is no likelihood that, within a reasonable period, further conciliation will result in a settlement; or
 - (iii) the parties to the dispute have informed the FWC member that there is no likelihood of agreement on the settlement of the dispute and the member does not have substantial reason to refuse to regard the conciliation proceedings as completed.

13.12 Arbitration

- (a) If the dispute has not been settled when conciliation has been completed, a party to the dispute may request that the FWC proceed to determine the dispute by arbitration.
- (b) If a member of the FWC has exercised conciliation powers in relation to the dispute, the member must not exercise, or take part in the exercise of, arbitration powers in relation to the dispute if a party to the dispute objects to the member doing so.
- (c) Subject to **clause 13.12(d)**, the determination of the FWC is binding on the persons covered by this Agreement.
- (d) A determination of a single member of the FWC made pursuant to this clause may, with the permission of a Full Bench of the FWC, be appealed.

13.13 General Powers and Procedures of the FWC

Subject to any agreement between the parties in relation to a particular dispute and the provisions of this clause, in dealing with a dispute through conciliation or arbitration, the FWC may conduct the matter in accordance with Subdivision B of Division 3 of Part 5-1 of the FW Act.

14. Workload

- 14.1** The Employer acknowledges the benefits to both the organisation and individual Employee gained through Employees having a balance between both their professional and family life.
- 14.2** The Employer further recognises that the allocation of work must include consideration of the Employee's hours of work, health, safety and welfare. Work will be allocated so that there is not an allocation that routinely requires work to be undertaken beyond an Employee's ordinary hours of work.
- 14.3** An Employee or group of Employees may request a review of their workload if they believe the workload is unreasonable. The request must be made in writing and set out details of the workload of the Employee or group of Employees and the reasons why the workload is considered unreasonable.
- 14.4** On receipt of a request by an Employee or group of Employees under this clause, the Employer must give the Employee a written response within 21 days, stating whether the Employer agrees to or refuses the request.
- 14.5** If the Employer refuses the request for a review, the written response under **clause 14.4** must include details of the reasons for the refusal.
- 14.6** If the Employer agrees to the request, a review of the workload of the Employee or group of Employee's will be conducted.
- 14.7** Following the completion of the review, the Employee or group of Employees and the Employer will agree on any necessary adjustments that are required to be implemented to ensure the workload for the Employee or group of Employees is reasonable.

Part 4 Employment Relationship and Related Arrangements

15. Mobility Principles

- 15.1** The Parties agree to interpret and apply this Agreement consistently with the following principles aimed at promoting workforce mobility:
- (a) The work required of a modern career public service is not static but always changing, due to factors such as new government priorities, population growth, the pace and scale of technological advancement, changing community service delivery expectations and the need to respond to evolving complex public policy problems or crises.
 - (b) Embracing these changing priorities is essential to providing secure, flexible employment in the public service. Within the framework of secure employment (**clause 17**) and flexibility (**clause 8**), the Parties acknowledge the importance of ensuring that VPS Employees can be responsively deployed to support changing government priorities.
 - (c) Victoria's public service is a professional public service and is a career path of choice. VPS employment careers can go beyond a fixed role with a specific Employer in a single location. VPS Employees are encouraged to gain relevant, diverse and evolving skills and experience across the public service, appropriate for facilitating delivery of government's priorities as they change over time.
- 15.2** The Parties agree that the principles set out above will be operationalised over the life of the Agreement, through a range of changed workplace practices, modes of work and service delivery. These may include, for example but not limited to:
- (a) Better matching Employee skills and capabilities to vacant roles in the VPS, such as through the Jobs and Skills Exchange, and
 - (b) Reduction of operational and mobility barriers between public service Employers, and
 - (c) Facilitation of greater mobility, including through 'job pools' for identified functions, the development of job families and a more advanced approach to linking skill development, career aspirations and job demand trends, and
 - (d) Development and implementation of a capability framework to facilitate better matching of Employee capabilities to operational need, and
 - (e) A model where ongoing Employees are deployed to priority projects or programs across the VPS based on their core skills and capabilities, rather than being limited to a specific function in a specific area, and
 - (f) Interdisciplinary project teams or joint ventures, which change in size and composition over time, with shared resources and/or reporting lines outside traditional hierarchical structures or across departmental boundaries, and
 - (g) Joined up, client-focused delivery of multiple services with shared or complimentary outcomes presently provided by distinct operational areas, and
 - (h) Development of generalist capability to allow strategic deployment of VPS employees across functional areas with common or universal skill sets, and

Victorian Public Service Enterprise Agreement 2020

- (i) A better approach to secondments, and enhanced promotion of and opportunities for secondments, job shares and other reprioritisation of skills to ensure the right expertise informs policy and strategy development, and
- (j) Building of specialist skills through targeted professional development in growing sectors, and
- (k) Development of communities of practice or networks to better deliver services.

15.3 The parties agree that workforce mobility measures are not intended to adversely affect Employees' overall employment security within the VPS or otherwise disadvantage Employees in their employment. In particular:

- (a) The Employer will not require an Employee to physically relocate beyond agreed areas without appropriate consultation and supports as provided for in **Clause 19** (Usual Place or Places of Work), and
- (b) The Employer will designate a line manager for personal development, wellbeing, performance assessment and related support. An Employee may report to a number of different managers for projects or work activities. The line manager may consult with the Employee's different project or work activity managers in assessing an Employee's performance. The designated line manager will ensure an Employee's reporting arrangements are clear, and
- (c) **Clause 14** – Workload applies in respect of workforce mobility measures, and
- (d) An Eligible Employee's participation in workforce mobility measures will be regarded favourably and not place that Employee at a disadvantage for the purposes of performance development and progression at **Clause 29** (Performance Development and Progression within a Value Range), and
- (e) The Employer will at all times apply the appropriate classification level, and where applicable, higher duties allowance, to work performed by an Employee, and
- (f) The Employer will comply with its obligations under the Agreement (see **clauses 8 – 10**) and section 65 of the FW Act regarding flexible work arrangements and will ensure that an Employee's need for flexible work arrangements is taken into account in implementing mobility measures, and
- (g) The Employer will comply with its obligations under the Agreement and the *Occupational Health and Safety Act 2004* (Vic) when implementing mobility measures, and
- (h) Mobility measures will not disadvantage an Employee in their terms and conditions of employment,

16. Mobility Payment

16.1 Employees will be paid an annual lump sum mobility payment:

- (a) in recognition of the Parties commitment to the mobility principles outlined in **clause 15** (Mobility Principles) of the Agreement, and
- (b) in recognition of the fact that the work required of a modern career public service is not static but always changing, and

Victorian Public Service Enterprise Agreement 2020

- (c) to acknowledge Employees are committed to ensuring they can be responsively deployed to support changing government priorities, and
 - (d) to encourage Employees to gain relevant, diverse and evolving skills and experience across the public service to support their capability and career development.
- 16.2** The mobility payment in the tables below will be made as once off lump sum payments on the dates specified (pro-rata for part-time Employees):

29.2 Performance Cycle and Review

- (a) The performance development and review process is the framework within which an Employee's performance and development is planned, managed and reviewed to determine whether an Employee is entitled to Progression or a Top of Grade or Value Range Payment at the end of the Performance Cycle.
- (b) "**Progression**" means advancing to the next Progression Step for VPS 1-4 or adding the next progression amount to substantive Salary for VPS 5-7 in accordance with this clause. Progression Steps and Progression Amounts are referred to in the final column of **clause 1** of **Schedule C** (or relevant part of **Section II** of this Agreement for Non-VPS Aligned Adaptive Structures).
- (c) "Top of Grade or Value Range Payment" means the 1 per cent lump sum of the Employee's Salary as at 30 June of the Performance Cycle, paid in accordance with this clause to an Employee at the top of their Grade or Value Range in lieu of Progression.
- (d) The Performance Cycle is twelve months (1 July to 30 June).
- (e) All Employees must participate in the performance development and review process, including in the development of performance development plans and conduct of performance discussions and reviews.
- (f) Employees who refuse to participate in the performance development and review process will be ineligible for Progression or Top of Grade or Value Range Payment, unless the Employee's lack of participation is due to the Employer's failure to initiate the performance development process.

- (g) The performance development and review process has three formal stages:

Table 11: Performance development and review process

Stage	Description
Commencement of the Performance Cycle	<p>Employer and Employee agree a performance development plan outlining:</p> <ul style="list-style-type: none"> the agreed performance goals appropriate to the Employee's role; and the agreed learning and development goals required for the Employee's role and/or to build the Employee's professional capacity and career opportunities. <p>In addition, the Employee is expected to comply with the Public Sector Values and Code of Conduct for Victorian Public Sector Employees.</p> <p>Collectively these three elements constitute the Employee's Progression Criteria. The expected standard for the setting of Progression Criteria is outlined in clause 29.3.</p>
Mid-Cycle Performance Review	<p>Undertaken around the mid-point of the Performance Cycle, the Employer and Employee meet to monitor and assess the Employee's performance towards meeting their Progression Criteria.</p>
End of Cycle Performance Review	<p>Undertaken at the end of each Performance Cycle during which the Employee's performance throughout the Performance Cycle is assessed to determine whether they have met the Progression Criteria.</p>

- (h) All Employees can expect informal and formal feedback about their performance throughout the Performance Cycle from their supervisor or manager.

29.3 Progression Criteria

- (a) The Progression Criteria are to be agreed with each Employee at the start of the Performance Cycle or on the Employee's commencement in a role. The Progression Criteria may be adjusted by agreement during the Performance Cycle.
- (b) Progression Criteria should be sufficiently detailed and clear to enable proper assessment of performance to occur and be consistent with the Employee's role, skills, capabilities and the relevant Classification Descriptors outlined in **Schedule C** of the Agreement. The expected capabilities, responsibilities and behaviours appropriate to the role may be weighed and combined to develop the Progression Criteria.
- (c) Central to the performance development and review process is the need for supervisors and managers, in consultation with Employees, to determine what should, and can, be delivered to warrant Progression through a combination of increasing capability, productivity, performance and professionalism. This

interaction between managers and Employees gives authority and integrity to the structure and its sustainability in the long term.

(d) Setting Progression Criteria

(i) VPS 1 to 4 Classified Employees

For VPS Grades 1 to 4 (or equivalent), Progression Criteria will not be as onerous as those required for VPS 5 through VPS 7 (or equivalent).

While VPS Grades 3 and 4 (or equivalent) are clearly seen as transition points to higher levels of management within the structure and carry additional responsibility, this does not mean work at all lower levels will not be important and demanding. However, it is expected that in setting agreed Progression Criteria the overwhelming majority of persons within Grades 1 to 4 will achieve the objectives and should move through the Salary points.

(ii) VPS 5 to VPS 7

In setting Progression Criteria for VPS 5 to VPS 7 (or equivalent) classified Employees it is expected Progression Criteria will:

- include measures of excellence and skill acquisition; and
- be commensurate with the higher level of responsibility expected of positions of these Grades; and
- be more challenging and difficult to achieve.

- (e)** Management should facilitate an individual Employee's ability to undertake appropriate learning and development. An individual Employee must actively pursue appropriate learning and development to build professional capacity and career opportunities.

29.4 Progression Steps, Progression Amounts and Top of Grade or Value Range payment

- (a)** Within each Value Range of Grades 1 to 4 there are Progression Steps (expressed Salary points) as detailed in the table at **clause 1 of Schedule C**.
- (b)** Within VPS Grades 5 to 7 there are standard Progression Amounts as detailed in the table at **clause 1 of Schedule C**. The Progression Amounts are expressed in terms of dollars and are common to all Employees within a given Grade/Value Range.
- (c)** Progression Steps and Progression Amounts (where relevant) for Employees covered by a VPS Aligned Adaptive Structure or Non-VPS Aligned Adaptive Structure are outlined in the relevant structures as detailed in **Section II** of this Agreement.
- (d)** Progression Steps or Amounts within Value Ranges are not points of defined work value. Progression within the salary structure will not be automatic, consistent with wage fixing principles.
- (e)** An Employee at the top of their Grade or Value Range who achieves Progression (as described in **clause 29.8**), will, in lieu of a Progression Step or Progression Amount, receive a top of Grade or Value Range Payment equal to one per cent of the Employee's Salary as at 30 June of the relevant Performance Cycle.

29.5 Eligibility requirements for Progression or a Top of Grade or Value Range Payment

- (a) Employees are eligible to be considered for a Progression or a Top of Grade or Value Range Payment unless any of the exclusions in **clause 29.5(b)** apply.

 - (i) the Employee has been continuously employed in the VPS for less than 12 months as at the end of the Performance Cycle; or

If the investigation of alleged misconduct spans more than one Performance Cycle, the eligibility exclusion is to be applied in the Performance Cycle in which the determination of the discipline outcome (under **clause 25.12** of the Agreement) is made. If a misconduct investigation is ongoing but has not yet concluded the Employee is eligible to be considered for Progression or Top of Grade or Value Range payment but the Employer is not precluded from considering matters which have arisen under **clause 25** in assessing whether the Employee has met their Progression Criteria where it is fair and reasonable to do so.
- (c) For the purposes of this clause a promotion does not include any moves to the next Grade or Value Range:
 - (i) which resulted in the Employee receiving less than the equivalent of one progression step or amount, or
 - (ii) was achieved as a result of obtaining relevant work experience or a qualification which is part of an automatic career advancement pathway established in an Agency Specific Appendix, or
 - (iii) occurred following a job-re-sizing review process conducted under **clause 27.5**(Movement between Value Ranges).

29.6 Eligibility requirements for Progression or Top of Grade or Value Range Payment – Higher Duties

- (a) If an Employee has been acting in a higher position for a period of twelve months at the end of the Performance Cycle and neither **clause 29.5(b)(ii)**, **29.5(b)(iii)** or **29.5(b)(iv)** apply to the Employee, the Employee will be eligible to be considered for Progression or a Top of Grade or Value Range Payment for continued performance of the higher duties beyond 12 months.

- (c) An Employee who has been acting in a higher position for a period of less than twelve months at the end of the Performance Cycle, may be eligible to be considered for Progression or a Top of Grade or Value Range payment at their substantive Grade or Value Range, if they are not otherwise ineligible because of the operation of **clause 29.5**.

- (a) An Employee is entitled to advance two progression steps or amounts or be paid two Top of Grade or Value Range payments in the following circumstances:
 - (i) The Employee was not considered for Progression or a Top of Grade or Value Range payment due to the Employee's absence on a period of Primary Carer Parental Leave not exceeding 52 weeks; and
 - (ii) The Employee is otherwise eligible to be considered for Progression or a Top of Grade or Value Range Payment; and
 - (iii) The Employee is assessed as meeting progression criteria in the Performance Cycle in which the Employee returns to work.
- (b) Any Progression or Top of Grade or Value Range payment will be processed by the Employer at the same time as other progression outcomes resulting for the Performance Cycle following the Employee's return to work.
- (c) An Employee's absence from work on parental leave for part of a relevant Performance Cycle must not disadvantage the Employee in the Employer's application of the Progression Criteria.

29.8 Achieving Progression or Top of Grade or Value Range Payment

- (a) Progression between progression steps or amounts or the payment of a Top of Grade or Value Range payment will occur if the Employee:
 - (i) meets the eligibility requirements set out in **clause 29.5** or **clause 29.6**(as relevant); and

- (b) An End of Cycle Performance Review is undertaken at the end of each Performance Cycle. The Employee's performance against the Progression Criteria is assessed by their supervisor or manager at that time.
- (c) An Employee will not be disadvantaged where through the Employer's act or omission:
 - (i) learning and development opportunities are not available; or
 - (ii) a Performance Development Plan is not completed, or
 - (iii) a Mid-Cycle or End of Cycle Performance Review is not conducted.
- (d) Where an Employee is assessed as having not met their agreed Progression Criteria, the Employee will not obtain Progression or be paid a top of Grade or Value Range Payment.

29.9 Operation of Progression Steps or Amounts or Top of Grade or Value Range Payment where progression is achieved

- (a) Other than as provided for in **clause 29.9(b)**, progression will take effect backdated to 1 July following the completion of the Performance Cycle to which the progression relates.
- (b) For an Employee who:

progression will take effect backdated to 1 January in the Performance Cycle to which the progression relates, or the Employee's 18 Month Date, whichever is later.

- (c) An Employee's 18 Month Date for the purposes of **clause 29.9(b)** is the date 18 months after the Employee commenced employment in the VPS (if **clause 29.5(b)(i)** applies) or the date 18 months from the date of promotion for the purposes of **clause 29.5(b)(ii)**.

Where an Employee's accrued annual leave entitlement has not been taken by the end of the calendar year following the calendar year in which it accrued, the Employer and Employee must genuinely try to agree upon steps that will be taken to reduce or eliminate that leave accrual. This agreement must be attempted before the Employer can direct that leave be taken under **clause 45.6(b)(ii)** or an Employee can give notice of leave to be granted under **clause 45.6(c)(ii)**.

- (iv) The Employer must not unreasonably refuse to agree to a request by the Employee to take paid annual leave.
- (v) If leave is agreed after a direction is issued and the direction would then result in the Employee's remaining accrued entitlement to paid annual leave at any time being less than six weeks, the direction will be deemed to have been withdrawn.
- (vi) The Employee must take paid annual leave in accordance with a direction complying with this clause.

(c) Employee may require that leave be granted

- (i) This **clause 45.6(c)** applies if an Employee has had an excessive annual leave accrual for more than six months and the Employer has not given a direction under **clause 45.6(b)(ii)** that will eliminate the Employee's excessive leave accrual.
- (ii) If agreement is not reached under **clause 45.6(a)**, the Employee may give a written notice to the Employer that the Employee wishes to take a period or periods of paid annual leave. Such a notice must not:
- result in the Employee's remaining accrued entitlement to paid annual leave at any time being less than six weeks (taking into account all other paid annual leave that has been agreed, that the Employee has been directed to take or that the Employee has given notice of under this clause); or
 - provide for the Employee to take any period of leave of less than one week; or
 - provide for the Employee to take any period of leave commencing less than eight weeks after the day the notice is given to the Employer; or
 - provide for the Employee to take any period of leave commencing more than 12 months after the day the notice is given to the Employer; or
 - be inconsistent with any leave arrangement agreed between the Employer and Employee.

(iii) The maximum amount of leave that an Employee can give notice of under this clause is:

- four weeks' leave in any 12 month period; or
- five weeks' leave in any 12 month period if the Employee is a Shift Worker who is entitled to an additional week of annual leave in accordance with **clause 45.2(a)**.

- (c)** annual leave must not be cashed out if the cashing out would result in the Employee's remaining accrued entitlement to annual leave being less than four weeks; and
- (d)** an Employee may only cash out annual leave on one occasion during the term of this Agreement.

47. Purchased Leave

- 47.1** An Employee may, with the agreement of the Employer, work less than 52 weeks per year. Access to this entitlement may only be granted on application from an Employee and cannot be required as a precondition for employment.

- (b) The Employee will receive a salary equal to the period worked (e.g. 46 weeks, 49 weeks) which will be spread over a 52 week period.
- (c) The accrual of personal/carer's leave and long service leave by the Employee shall remain unchanged.

Upon receipt of the medical report, the Employer may direct the Employee to be absent from duty for a specified period or, if already on leave, direct such Employee to continue on leave for a specified period. - (ii) **For part-time employees who work less than the equivalent of a full-time day**

22. Youth Justice Custodial Career Structure Classifications and Standard Descriptors

Jobs in this structure support the Department's children, youth and families programs.

Child Protection and Youth Justice form part of the same service delivery system in Victoria. This is because they are both governed by the same legislation: *The Children, Youth and Families Act 2005 (Vic)* (The Act). The Act outlines its purposes as:

- to provide for community services to support children and families; and
- to provide for the protection of children and young persons; and
- to make provision in relation to children and young persons who have been charged with, or who have been found guilty of offences; and
- to continue the Children's Court of Victoria as a specialist court dealing with matters relating to children.

The Act sets out the statutory roles of the Department in youth justice. A key role of these Employees is exercising legal delegations and functions pursuant to the Act and other related acts. A brief explanation of the youth justice program is provided below.

Youth Justice Custodial Services

Youth Justice Custodial Centres accommodate young people aged 10 – 18 remanded and sentenced by the Criminal Division of the Children's Court and some 18 – 21 year olds sentenced by the adult courts to Youth Justice Custodial Centres in Victoria. The centres operate within a framework that promotes the return of young people to the community at the completion of their custodial sentence with increased support and opportunities and reduced risk of re – offending.

Note: Youth Justice Grade and Value Range Descriptors reflected the underpinning work value anchors for the function. Where the descriptors reference the VPS Grade and Value Range descriptors, the Youth Justice descriptors are to be read in conjunction with them. The primary classification reference at Youth Justice Grade 5 is operational service delivery with the VPS Grade and Value Range descriptors serving as a framework for the other elements of work value. Use of the VPS Grade and Value Range descriptors in this manner for CP Grade 5 is unique to this occupational category.

Note: CPW4 who translated to the new CYF stream as CYF4 on 5 November 2012 were translated with salary maintenance. That is, for those existing staff who translated they have the ability to progress through to the top of the salary range as if the change had not occurred. This principle was also applied for YJW1 staff at Secure Welfare Services who transferred to the new CYF1 on 5 November 2012.

Note: a CYF supervisor will not be paid less than an Employee they supervise.

17. Child Protection Practitioner - Children, Youth & Families Stream – Classifications and Standard Descriptors

Jobs in this structure support some of the department's Youth Justice and Child Protection programs, as detailed below.

Youth Justice and Child Protection form part of the same service delivery system in Victoria. This is because they are both governed by the same legislation: The *Children, Youth and Families Act 2005* (Vic) (The Act – CYFA). The Act outlines its purposes as:

- to provide for community services to support children and families; and
- to provide for the protection of children; and
- to make provision in relation to children who have been charged with, or who have been found guilty of, offences; and
- to continue The Children's Court of Victoria as a specialist court dealing with matters relating to children.

The Act sets out the statutory roles of the Department Health and Human Services in youth justice and child protection. A key role of these Employees is exercising legal delegations and functions pursuant to the Act and other related acts. A brief explanation of each of the programs is provided below.

Youth Justice Community Based Programs

Within the legal mandate provided by the CYFA, community-based regional youth justice units:

- provide supervision to young people who have been sentenced and placed on community – based orders (10 – 18 year olds), and those who are paroled as part of their custodial sentence (10 – 20 year olds) and bail supervision
- provide information and advice to courts about young people
- advocate for service access and provision that will optimise the chances of young people on juvenile justice orders to continue their lives with reduced risks of re-offending. Each departmental region has a community-based youth justice unit.

Child Protection Programs

Refugee Minor Program

Employees in this program provide support to children and young people who are humanitarian refugees referred by the Commonwealth department responsible for immigration. The legislation that pertains to refugee minors is the *Immigration (Guardianship of Children) Act 1946* (Cth).

Refugee minor workers:

Victorian Public Service Enterprise Agreement 2020
Appendix 4 – Department of Health and Human Services

- exercise guardianship on behalf of the Commonwealth for children and young people in the program;
- assist children, young people and their carers to address their trauma and support needs.

Family Information Networks and Discovery

Employees in the Family Information Networks and Discovery:

- release confidential Victorian adoption and wardship information to adopted people and former wards, and their families in accordance with the *Adoption Act 1984* (Vic) and the *Freedom of Information Act 1982* (Vic)
- assist clients to locate and contact family members from whom they've been separated due to adoption and/or wardship, and
- provide clients with mediation, short-term counseling and referral services as appropriate.

Inter-country Adoption Service

Employees in the Inter-country Adoption Service assess potential adoptive parents and liaise with overseas agencies that match children with Victorian adoptive parents. Support and supervision are also provided to children from other countries placed with Victorian families under the *Adoption Act 1984* (Vic).

Placement Prevention Services

Placement Prevention Services provides specialist case management and support services to children and young people living at home or independently, who are at risk of significant harm or abuse, or statutory clients in need of additional case support, including:

- **Intensive Case Management** funds multidisciplinary, intensive case management and youth outreach services targeted at young people 12 to 18 years not in out of home care
- **Family Preservation Services** funds intensive, short-term service aimed at strengthening the ability of families to protect and care for their 'at risk' children, thereby avoiding the removal of the child, and
- **Innovative Support Services** funds region-specific models of support developed to meet the needs of clients.

Placement Coordination Units and Placement and Support Services

Placement Coordination Units are regionally based staff who co-ordinate placements of clients with funded community service organisations (CSOs), in liaison with the relevant child protection practitioner.

Placement and Support Services manage the relationship with the community service organisations (CSOs) for the provision of the various services

Adoption and Permanent Care Teams

Some regions have specialised Adoption and Permanent Care teams that provide case management and support to children and young people in their transition to a placement in long term out of home care. Permanent Care refers to an order under the Act that transfers legal guardianship from parents or the department to persons assessed as being suitable guardians. The role of Adoption and Permanent Care is to assess potential carers, seek appropriate placement, make an

application for a Permanent Care Order to the Children's Court and supervise such orders as required. In the context of Adoption, Adoption and Permanent Care teams assess potential adoptive parents, make applications to the County Court under the *Adoption Act 1984* (Vic), and provide support to children placed under this legislation.

Quality of Care

The Act – CYFA creates a shared mandate for the Department of Health and Human Services, community service organisations (CSOs) and out-of-home carers to act in the best interests of the child or young person regional quality of care coordinators coordinate a timely and effective response to quality of care concerns. The responsibilities of these coordinators include:

- regional coordination of investigation of quality of care concerns relating to home-based care, residential care and kinship care
- overseeing and participating in formal care reviews undertaken by relevant CSOs
 - ensuring a robust process of the implementation of recommendations of investigations
 - maintaining the regional quality of care tracking system and analysing regional quality of care data to identify themes and develop appropriate responses
 - consolidating and strengthening a collaborative approach between Child Protection and CSOs in responding to quality of care concerns

Residential Care Services

The Department currently has one site that directly provides placements to clients under a therapeutic care model. This is Hurstbridge Farm.

Secure Welfare Services

Secure Welfare Services provide care to young people in a lock up facility. Employees provide direct care and support to young people placed in Secure Welfare under the Act. This involves assisting in the case planning process and transitioning of the young person to an appropriate placement. Secure Welfare placements are time limited (21 days with the option of another 21 days in exceptional circumstances). Secure Welfare placements are utilised when it is assessed that a young person poses a significant risk to themselves or others and short term containment is required. There are two Secure Welfare facilities in Victoria.

If the descriptors reference the VPS Grade and Value Range Descriptors, the Children, Youth and Families Stream (CYF) descriptors are to be read in conjunction with them.

The primary classification reference at Children, Youth and Families Stream is operational service delivery with the VPS Grade and Value range descriptors serving as a framework for the other elements of work value at CYF Grade 5 and CYF Grade 6.

19. Child Protection Practitioner – Child Protection Stream – Classifications and Standard Descriptors

Jobs in this structure support the Child Protection Program of the Department, excluding the child protection and youth justice programs detailed at **clause 17** of this Appendix – (Children Youth and Families (CYF) stream).

Broadly, Child Protection and Youth Justice programs form part of the same service delivery system in Victoria. This is because they are both governed by the same legislation: *Children, Youth and Families Act 2005 (Vic)* (The Act – CYFA). The Act outlines its purposes as:

- to provide for community services to support children and families; and
- to provide for the protection of children; and
- to make provision in relation to children who have been charged with, or who have been found guilty of, offences; and
- to continue the Children's Court of Victoria as a specialist court dealing with matters relating to children.

The Act sets out the statutory roles in child protection and youth justice. A key accountability of these Employees is exercising legal delegations and functions pursuant to the Act and other related acts.

A brief explanation of the Child Protection program is provided below.

Child Protection

The Act provides the legislative mandate for the department to protect children and young people from abuse and neglect using best interest principles, decision-making principles, additional Aboriginal decision-making principles and Aboriginal child placement principles.

This mandate involves:

- receiving reports;
- conducting investigations;
- intervening if it is assessed that a child is in need of care and protection;
- taking matters before the Children's Court;
- supervising children on child protection orders;
- determining case plans (including stability plans, cultural plans and therapeutic treatment plans) for the safety and well being of children; and
- delivering case practice and case management services for children and young people who are either living with family or in out of home care.

Victorian Public Service Enterprise Agreement 2020
Appendix 4 – Department of Health and Human Services

Within each of the regions the Child Protection program operates in four broad areas:

1. **Intake** – Employees provide advice, referral and accept reports (the majority by telephone) and determine the outcome of these reports
2. **Response** – Employees investigate those reports determined to require a protective investigation
3. **Case management**- Employees provided case management for children and young people who have been found to be in need of care and protection, either through investigative outcome with no court order, or investigative outcome with court order
4. **Case contracting** – Employees manage the statutory aspects for children and young people whose case management has been contracted to a Community Service Organisation.

Note: References to Child FIRST in these descriptors denotes a geographical boundary.

Note: Child Protection Practitioner (CPP) Grade and Value Range Descriptors reflect the underpinning work value anchors for the function. If the descriptors reference the VPS Grade and Value Range Descriptors, the Child Protection Practitioner (CPP) descriptors are to be read in conjunction with them. The Child Protection program does not currently have jobs in Grade 1 work value

7. Forensic Officer Work Level Descriptors

Definitions:

- A Forensic Officer's primary purpose is the application of relevant qualifications, training and experience to aid the investigation of, and assist with criminal, coronial and civil matters in a recognised forensic discipline.
- A recognised forensic discipline is one that has been accepted by the Court as an area in which a qualified practitioner is permitted to give evidence.
- The context of the role will vary but may include:
 - Undertaking forensic case work
 - Provision of evidence in court
 - Development of specialised information technology functions
 - Maintenance of quality management systems
 - Undertaking research and development

Preamble:

- The work level descriptors do not provide an exhaustive list of duties, but rather they are a general description of how a position fits into the overall organisation. Specific duties and qualifications are detailed in the individual position descriptions.
- The descriptors represent a philosophical approach which reflects the knowledge and skill set for each level of work. Positions at each work level will comprise an aggregation of tasks which have been assessed as at equal work value.
- Not all elements of each work level are required to satisfy the requirements of the level but should be considered “on balance”, on the basis of best fit to describe the work.
- The development of skills is considered to be progressive and therefore skills that are referred to in the narrative for the previous level are assumed to be part of the skill set for the higher level.
- The descriptors can also serve as a tool for managers to determine appropriate developmental opportunities for staff in line with the principles of succession planning.
