YARRA TRAMS NEEDS TO COME CLEAN

14 February 2020

Yesterday, members were sent a message from Yarra Trams about legal action that Yarra Trams has commenced against the RTBU.

In Yarra Trams' message, they claim that "it's time to set the record straight".

The RTBU has been asking for months for details about the effect of Yarra Trams' part-time proposal on members' income. Yarra Trams has stubbornly refused to provide those details and it still refuses!

Yarra Trams now claims that our figures are incorrect. But, in its bulletin:

- **Yarra Trams does not deny that full-time workers' income will be reduced by its part-time proposal; and**
- **Yarra Trams does not tell you how much full-time workers' pay will be reduced under their part-time proposal.**

Yarra Trams is at pains to avoid answering questions. So much for setting the record straight!

We again call on Yarra Trams to come clean and tell its employees and the public just how much money full-time workers will lose because of its part-time proposal.

How hard can it be?!

Yarra Trams needs to actually "set the record straight"!

We will not stop fighting for a fair deal!
